SUMMARY OF THE REASONS FOR DECISION:

The magazine *Hot Fuckin' Blondes #2* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

Hot Fuckin' Blondes #2 consists almost entirely of explicit photographs of sexual activity between two different couples. This includes depictions of fellatio, cunnilingus, masturbation and vaginal intercourse. Weighting has been given to some of the photographs which are considered to dehumanise the participants, owing to the close focus placed upon their genitals, and to the title which degrades the female participants. However, the dehumanising and degrading elements are not considered to be so strong that they would render the availability of the publication likely to be injurious to the public good, provided that it is restricted to an adult audience.
